

Calvary Lutheran Church

We are not a building, a location, or an event.
We are a community of people following Jesus together.

7[CHURCH]ES

In response to God's word, and in relationship with brothers and sisters in this community, I'm asking God to make me faithful in the following commitments. I know these attitudes, habits and values are good for my growth as a disciple. I also know these contribute to a healthy local church.

I want to pursue healthy relationships.

- UP :: we pursue a growing relationship with our God - Father, Son and Holy Spirit
- IN :: we pursue healthy relationships with brothers and sisters in faith
- OUT :: we strive for healthy relationships with neighbors from outside of the faith

I am committed to reconciliation within this community.

- When I am upset with someone, I will talk with that person seeking reconciliation.
- When someone is upset with me, I will talk with that person seeking reconciliation.
- When issues are brought to me which do not involve me, I will politely redirect them to the right person.

I have a desire for a church family.

- I want to be pastored
- I want to be discipled
- I am willing to share what I learn (which helps disciple others)

In response to God's love I offer him...

- ...priority on my calendar
- ...my budget and spending patterns
- ...my talents, skills and experience

I will consider these questions as I engage this family at Calvary.

How can Calvary serve me?
How can Calvary invite me to serve?

By the calling and grace of God, I will do these things. I want my brothers and sisters at Calvary to support me in this, and I will give them my support as well.
