

Weekly News

Week of: October 5, 2009

Memory: The second commandment **You shall not misuse the name of the Lord your God. *What does this mean? We should fear and love God so that we do not curse, swear, use satanic arts, lie, or deceive by his name, but call upon it in every trouble, pray, praise, and give thanks.***

Reading: This week we will be reading the story “Teammates” and there will be a test on Friday. Please have your child read the story at home during the week. This can count as part of their required reading time.

Math: We will be working on counting dimes, nickels, and pennies, writing fractions using the fraction bar, addition facts of 9, writing fraction number sentences equal to 1, and identifying a dozen and half a dozen.

English: We will be working on main idea and details, sentences, staying on topic, word structure, and the /u/ sound.

History: We are learning about World Rivers. This week we will be studying how rivers make our lives better, rivers viewed from above, the dangers and navigations along rivers, and wildlife along rivers.

Notes and Reminders

- A special thank you to Mrs. Packard and Mrs. Regnier for being our mystery readers this week! There are still opportunities for you or another family member to be a mystery reader. Please see me if you would like to participate!
- Please make sure your child is reading for 20 minutes each night and marking it off on their log. They do receive a grade for this.

Upcoming Event!

- Thursday, October 8th is our first field trip to Coyote Point! Please make sure that permission slip and money is turned in.

**Parents who are attending are requested to pay for the trip, along with paying the toll fare on the bridge and parking. If this is a problem please see me ASAP and we will work something out. I don't want this to discourage anyone from going.*
