Week of: December 7, 2009

Memory: NOTHING!! Keep working on your program parts! EVERYONE has something to memorize! Look on the back of this to see what needs to be memorized! They all know their parts, just have them keep looking at it so they don't lose it!

Reading: This week we will be reading the story "Secret Place" there will be a test on Friday. Please keep encouraging your child to be reading the story during the week.

Math: This week due to longer Christmas program practice, we will not be doing our normal math activities. I will still be asking the class things orally and homework will be in other forms besides the worksheets and it will only be for a couple days.

English: We will be spending a bit more time in the land of writing and sentences!! The class is so excited! ;-) Well, they will be at the end of the week...I hope! This is also a review week in spelling sounds and the author's purpose.

History: Ask your child about the Vikings! They are all excited about our history topic. This week we will be learning about Viking Sailors and Ships, Eric the Red, Lief Ericson, and making our own Viking ship!

Notes and Reminders

Please be flexible this week and next when it comes to what your child is bringing home for homework. There will not be the normal amount of homework handed out due to Christmas program practice. Above is what I hope to cover next week! We may not get to it all. Thanks for understanding. If you have any questions, please let me know!
