This week's star is Miss Graciela Ward!!

- For math we will be having our own store. Please send in empty and clean food containers, cans, etc. so the children can practice buying things with money.
- If you are in need of PPP hours, I could use a few parents to assist a few days in our classroom store. Please talk to me if you are able to help with this. I am still working on getting everything together for this.
- Thank you to all who attended open house Wednesday! It was nice to see all of you and I was honored to hear you talk to perspective parents about our classroom and school! You help make our school a success!
