

Weekly News

Week of: November 7, 2011

Memory: Please continue to work with you child on the words to the Christmas Program songs. I added the words in a link on our class blog. Please go to <http://www.calvaryslz.org/thirdblog0/> and select Christmas Songs to get the words if you need them again.

Reading and Language: We will be exploring final constant substitution, building initial constant blends, reviewing constants and vowels we have covered so far, extending sentences, learning the letters Dd, Oo, and Bb. We will also be reading the stories: "Baby Animals" and "Munch Crunch: The Foods Animals Eat". We will also be having 3 decodable books that focus on the letters and sounds we are working on in class. Please remember to have your child read these books to you nightly.

Math: We will be working on counting by 10's to 100, subtraction facts: subtracting one, identifying identical designs, and reviewing addition facts.

History: We will be learning about US Symbols and Figures. We will be talking about the American Flag, the President, and the Eagle. We are a little bit behind so we will be using this week to catch up.

Notes and Reminders

****STAR OF THE WEEK****

This week's star is Mr. Sahil Tandel!!

- Our class ran their hearts out on Monday for "Walk For Cans" please remember to collect donations and bring them to the classroom by November 16th. Nice running your laps 1st graders!
- We started a new fundraiser this week! We are selling cookie dough! Infromation was sent home Wednesday. There are additional forms in the office if needed. The class that sells the most will earn a free dress day! Let's get this free dress day 1st grade! Show the school how it's done!! :-D

Upcoming Events

- Next 2 Weeks=Cookie Dough Fundraiser!
- November 9-Virture awards after chapel
- November 10: Fundraiser at Fresh & Easy
- Nov. 11: No School
- November 16-"Walk For Cans" money and donations due.
- Nov. 21-25: No School
