

Weekly News

Week of: September 7, 2009

Memory: Give me understanding to learn Your commands. Psalm 119:73 *The students will recite the memory to me individually.*

Reading: This week we will be discussing, writing, and reading poetry. We will not be reading a story from our reading book.

Math: We will be working on identifying odd and even numbers, subtraction facts 0 and 1, using logical reasoning, and identifying, acting, drawing out, drawing pictures, and writing number sentences for “some, some more” and “some, some went away” story problems.

English: We will be working on our writing skills. The class will learn and review writing in complete sentences and writing good paragraphs.

History: We are studying Canada. We will have a test next Tuesday (9/15) a study guide will be provided to the class that will contain sample test questions and will have everything on it that they will need to know for the test. This will not be an open book test.
